**Description (140 words):**

The Malta AI & Blockchain Summit (AIBC Summit) brings together key brands and individuals from the converging sectors of AI, blockchain, IoT, Quantum Tech, and other emerging technologies to discuss and shape the future. Combining an expo floor for world-class exhibitors, a start-up village for new businesses, and a hugely popular conferences and workshops agenda, the Malta AIBC Summit shines a light on the world of the future.

Malta AIBC Summit launched in November 2018, welcoming more than 8,500 attendees through its doors. In 2019, the show has solidified its position as a world leading event in the sectors of AI, blockchain, crypto, and other emerging technologies, with the November show welcoming 6,500 delegates, 300 exhibitors and 100 start-ups over the two day event.
